

π Day is March 14th (Saturday)

The red outer circle is called the **CIRCUMFERENCE**.

How many diameters does it take to make one circumference?

The Storefront contest will take place the week of March 9-13. The winners will get their pies on Friday March 13. Those students who won pies last year can compete in the contest but cannot win the pie this year. There will be one winner per grade, from grade 1 to grade 8.

- G2 = Nevaeh 14 digits • G3 = Semira 14 digits • G4 = Kyara 20 digits • G5 = Anthony 13 digits
- G6 = Kevin and Micheal tied at 27 digits • G7 = Camarii and Jasmine with over 40 digits • G8 = Lanaya 23 digits

I will bake you a pie of your choice!

π begins with 3.1415926535 8979323846 2643383279 5028841971
